SUBJECT: Meeting of Interagency Group on Mexico

The date for President Reagan's trip to Mexico to meet with President de la Madrid now has been set for February 13, 1988. As a result, the IG meeting on Mexico originally scheduled for February 8 (see State Department Memorandum of January 6, 1988) must be rescheduled for January 26, 1988 so that the results of the IG meeting can be included in preparations for the President's trip. The IG will be at 10:00 AM in room 6909 at the Department of State and will be chaired by Assistant Secretary of State Elliott Abrams.

If possible, the papers required by NSDD-291 of December 16, 1987, should be completed by January 22. In any event, the responsible agencies cited in NSDD-291 should be prepared to recommend how their issues should be treated during the Presidential trip to Mexico.

Any questions on coordination and procedures should be directed to the Executive Secretary of the IG, Mr. John J. St. John, Director, Office of Mexican Affairs, Department of State, or to James Landberg, action officer. The telephone number is 647-9894. Please reconfirm to Mr. St. John's office the name of the person who will represent your agency at the IG.

FROM: ARA - Elliott Abrams**SUBJECT:** Meeting of Interagency Group on Mexico

Addressees are invited to a meeting of the Interagency Group on Mexico on February 8, 1988 at 10:00 AM in room 1105, Department of State. The purpose of the meeting is to review, for purposes of coordination, the policy papers and recommendations required by National Security Decision Directive (NSDD) number 291 on Mexico. The meeting will be chaired by Assistant Secretary of State Elliott Abrams.

As required by NSDD-291, the IG also will consider how subjects addressed in the policy papers should be treated at the 1988 meeting of Presidents Reagan and de la Madrid. Consequently, although the papers should have a long-term perspective, they should include a section with recommendations for treatment of these subjects at the Presidential meeting.

Papers should be cleared through the appropriate process (e.g. the Economic Policy Council, the National Drug Policy Review Board, etc.) by all relevant agencies, and, in keeping with the NSDD-291 requirement that they be completed in 30 working days, should be delivered to the IG Executive Secretary by January 29, 1988 and circulated to other IG addressees.

Any questions on coordination and procedures should be directed to Mr. John J. St. John, Director, Office of Mexican Affairs, Department of State, who has been designated Executive Secretary of the IG on Mexico. His telephone number is 647-9894. Please advise Mr. St. John's office of who will represent your agency at the IG meeting.
